————— **ERGOPOD** *Pro* —————

About Us.

ERGO collections offer office pods to encourage privacy in our work environment. Over the years, we have strived to create our own range of budget-friendly soundproof meeting booths, ERGOPOD.

Reimagine Workspace.

Transform your workspace with our soundproof meeting pods. Whether it's for individual usage, 2-person meeting, or 6-person discussion, ERGOPOD can fit them all.

Sizes Made For All.

Soundproofed
Dense acoustic panels will reduce noise by 80%.

Ventilation
Silent dual-fan ventilation pulls in fresh air and eliminates stale air.

Custom Size
Customise your office booth to any size that you need.

Tempered Glass
Fog-proof for natural light, durable to withstand bumps & scratches.

Soft Closure
No more door slam. A soft magnetic closure ensures a noiseless close.

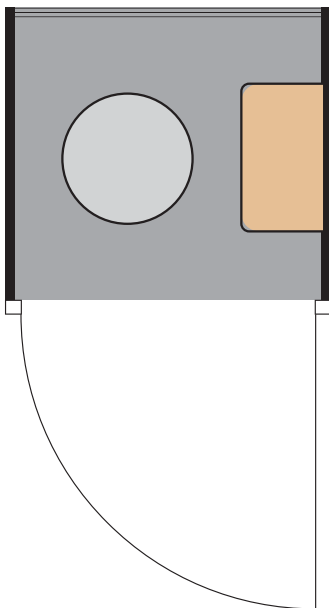

Door Lock
All our glass door comes with door lock & individual keys.

All The Features You Need.

Reimagine Workspace. Sizes Made For All.

Finally, privacy meets collaboration. ERGOPOD is designed to fit in any workplace. ERGOPOD office pods can be customized to fit any requirements for your meeting needs.
